Dear Mr Anderson:

I have just returned from out of town, and found your letter of March 22nd. From the tone of it I judge there is a little confusion in Jacksonville where the baseball is concerned. I am very sorry I was not familiar with the situation before. These things always cause confusion.

Now about The Newark Eagles, to date we do not have any game for April 7th or 14th. You know of course all the clubs would like to have something to do on Sundays. We are going to Tampa for Easter Sunday and Monday. This means of course we want to play as many day games as we can. When Mr Greer wrote and offered us the 11th and 12th, we were glad to accept. I do not think it will hurt our crowd on the 15th and 16th because we should have a good team, and if we can win the 11th and 12th it will make the folks more anxious to see what you can do with us. In view of what you have said, if you think it would be better if we did not play the 5th, we will be willing to cancel this date if Mr Robinson will agree to it. He had given us the date and we would not want to cancell it unless it was agreeable to him. I had originally thought of playing The Clowns on that date, but now that I am learing the situation in Jacksonville, I will talk to you in the future before making any plans.

If you still want to play us the 5th it is alright with me. I am sending you a couple mats and some publicity under seperate cover. We will arrive Sunday afternoon March 31st in time for dinner. Mackey is due there the day before.

I hope everything works out alright, and we will get together when I arrive.

Very Truly Yours
